

See line 453 in the guide for more information. Complete this schedule and **attach** a copy to your return to claim the Working Income Tax Benefit (WITB) if you meet **all** of the following conditions in 2009:

- you were a resident of Canada throughout the year;
- you earned income from employment or business; and
- at the end of the year, you were 19 years of age or older, or you resided with your spouse or common-law partner or your child.

In addition, to claim the **basic** WITB (Step 2), your working income must be more than \$3,000 and more than \$1,150 to claim the WITB **disability supplement** (Step 3). Refer to the chart at the bottom of the next page for the adjusted family net income levels to claim the WITB.

You cannot claim the WITB if in 2009:

- you were enrolled as a full-time student at a designated educational institution for more than 13 weeks in the year, unless you had an eligible dependant at the end of the year; or
- you were confined to a prison or similar institution for a period of 90 days or more during the year.

Notes: If you were married or living in a common-law relationship but did not have an eligible spouse or an eligible dependant, complete this schedule using the instructions as if you had neither an eligible spouse nor an eligible dependant.

If you are completing a final return for a deceased person who met the above conditions, you can claim the WITB for that person if the date of death was after June 30, 2009.
